How to Renew CERT Resilience Management Model (CERT-RMM) Lead Appraiser Certification

CERT-RMM Lead Appraiser certification is valid for a period of five years from the award date and expires the last day of the month in which it was awarded.

Renewal requirements for this certification ensure that individuals holding the CERT-RMM Lead Appraiser demonstrate ongoing commitment to professional growth and development and to staying current with changing technology.

Renewal Requirements

In order to keep your CERT-RMM Lead Appraiser certification current, you must

- Complete at least two CERT-RMM appraisals within the five year time frame
- Attend 75% of regularly scheduled, SEI-hosted virtual or live CERT-RMM Lead Appraiser update meetings or teleconference calls as scheduled by the SEI
- Submit data/experience reports and appraisal results reports to the SEI within 30 days of having completed an CERT-RMM appraisal
- Complete all upgrade training, exams, or review of new materials to maintain your CERT-RMM Lead Appraiser certification as distributed or required by the SEI

CERT-RMM Lead Appraisers must renew their credentials every five years.

Renewal of certifications is subject to SEI review and approval.
