News: SEI Announces 2016 Watts S. Humphrey Software Process Achievement Award Winners

Teams from Nationwide and Raytheon Honored

The SEI and the IEEE Computer Society have announced the winners of the 2016 IEEE Computer Society/SEI Watts S. Humphrey Software Process Achievement (SPA) Award. Since 1994, the SEI and the Institute of IEEE Computer Society have cosponsored the award, which recognizes outstanding achievements in improving an organization's ability to create and evolve high-quality software-dependent systems. This year's winners are Nationwide and Raytheon Integrated Defense Systems Design for Six Sigma Team (IDS DFSS).
