SEI to Host 15th Software Engineering Workshop for Educators

The 15th SEI Software Engineering Workshop for Educators will be held at the Software Engineering Institute in Pittsburgh, Pennsylvania, July 31 to August 2, 2018. The workshop fosters an exchange of ideas among accredited, college-level educators whose curricula include subjects spanning software engineering.

About the SEI Bulletin

The SEI Bulletin is a biweekly newsletter designed to keep you up to date on SEI news, events, research, and other matters of interest to the SEI community. We hope you find the SEI Bulletin useful and informative.

Send Us Your Story

Do you have a story about how an SEI technology has positively affected your team or organization? If so, the SEI would like to hear about it. Send a short summary of your success to info@sei.cmu.edu and you could be featured in a future issue of the SEI Bulletin.
