# Presenters

- Final version of your presentation to your session chair *before* the break that precedes your session
- We have an official USB drive, and we have blank DVD-R disks
- If all else fails, email to [mdeshon@cert.org](mailto:mdeshon@cert.org)
- Can use your own laptop if necessary, but we still need your presentation.
- We will post slides to the presentation wiki at the beginning of the session.

# Timekeeping

- Time slots are 30 minutes
- 10, 5 and 0 minute warning cards
- Leave some time for Q&A

# Presentations online

- <https://tools.netsa.cert.org/wiki/display/tt/FloCon+2009>

# Keynote

John L. Crain
