

A Innovative Cloud Process with the TSP?

<The Value of TSP in Agile Practices Session>

Yoshihiro Akiyama, Ph.D.,

PSP Instructor & TSP Mentor Coach, SEI Affiliate
Next Process Institute Ltd.

December 14th, 2016

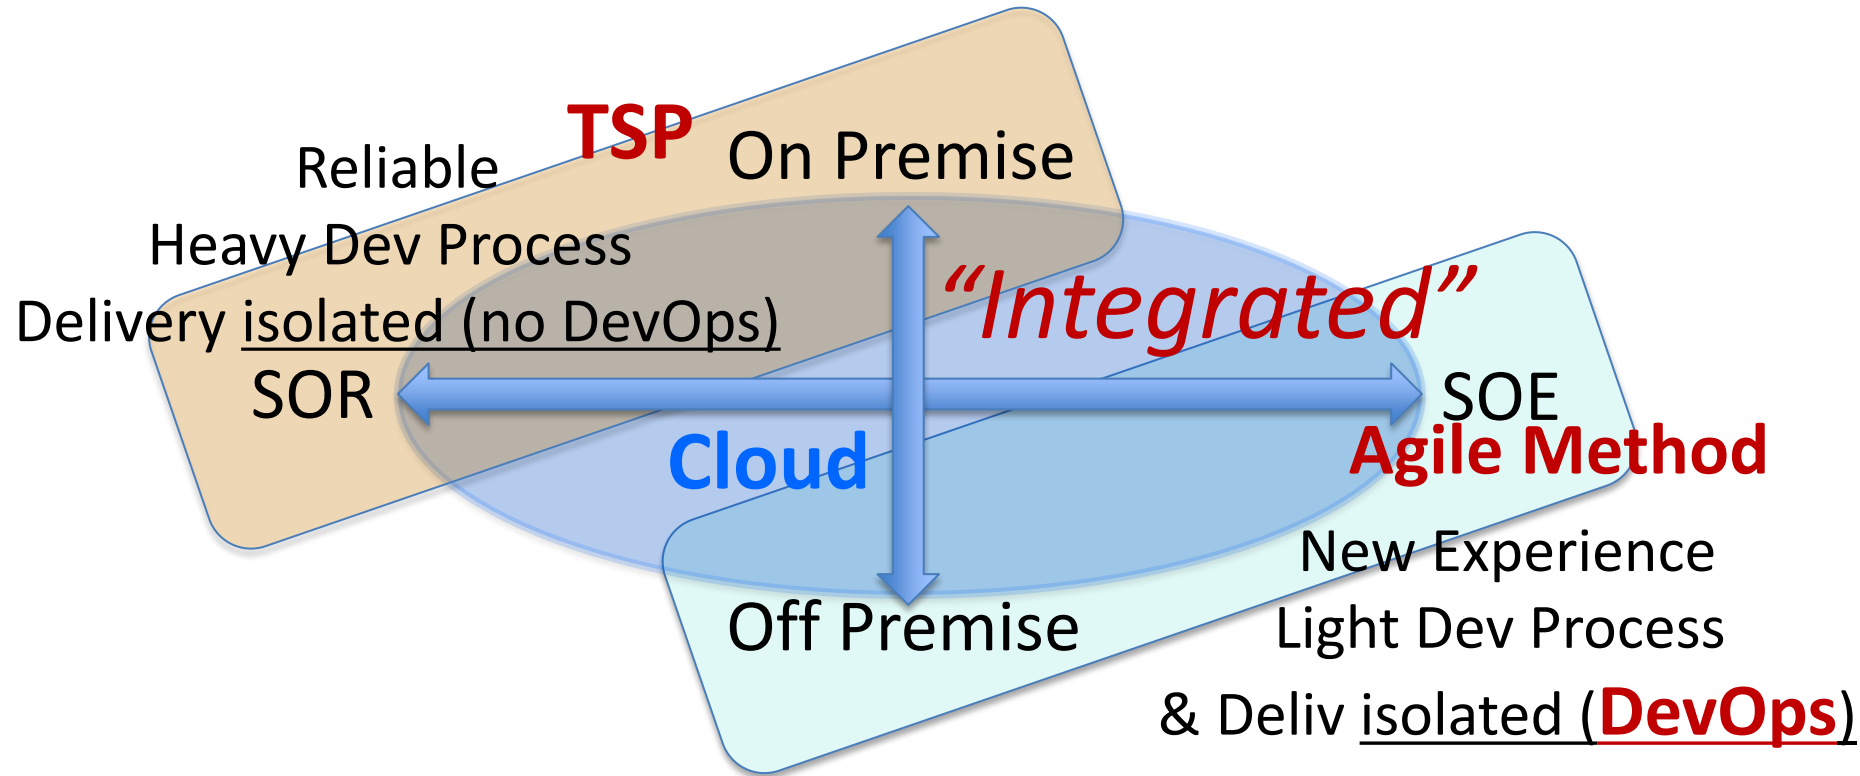

Various Silo-ed Methods in the Cloud -

- TSP for Req. Design, C++, COBOL, Java, Central Systems, ..
- Agile Methods - Web Applications
- Integration, Automated Testing – local optimizing
- DevOps – but applied only to Web applications

We are in the Cloud Computing era...

The TSP framework helps the integration?
