AIR FORCE NUCLEAR WEAPONS CENTER

Never Doubted, Always Feared

Rise of the Software Defined Weapon Accelerate Delivery or Lose

Kyle Fox

WDD Chief Software Officer

Kyle Fox

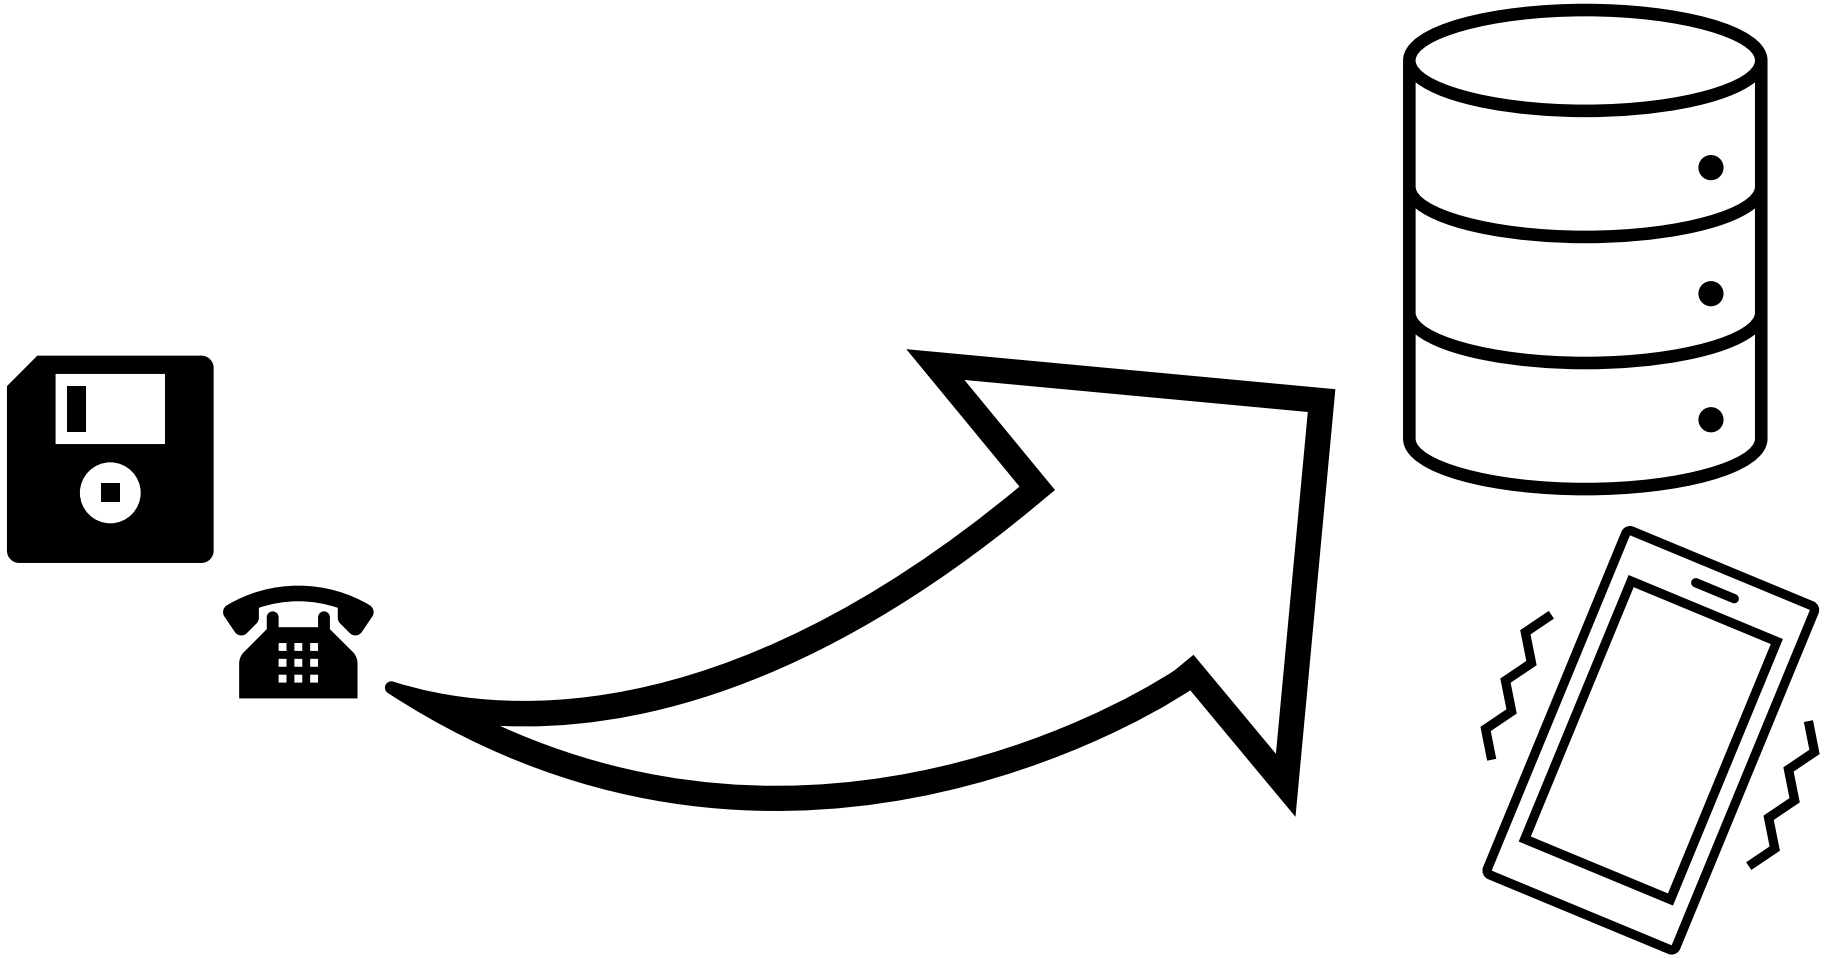
WDD Chief Software Officer

Former Sentinel Chief Software Engineer

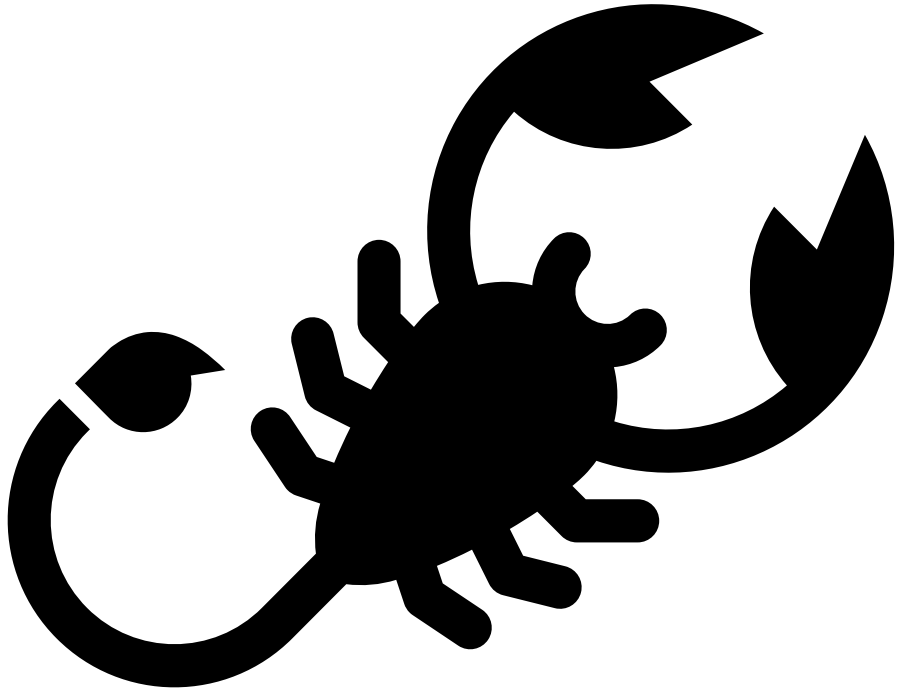
First Chief Software Engineer in the Air Force

Change evangelist for modern digital service delivery

We live in exponential times



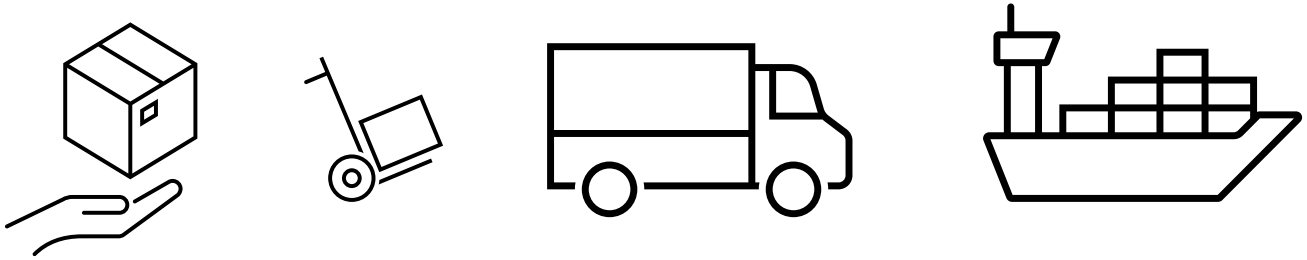
We live in exponential times - Threat



Accelerating Delivery is ***Mandatory***

Recipe for Agility

Delivery, Delivery, Delivery, …Delivery!

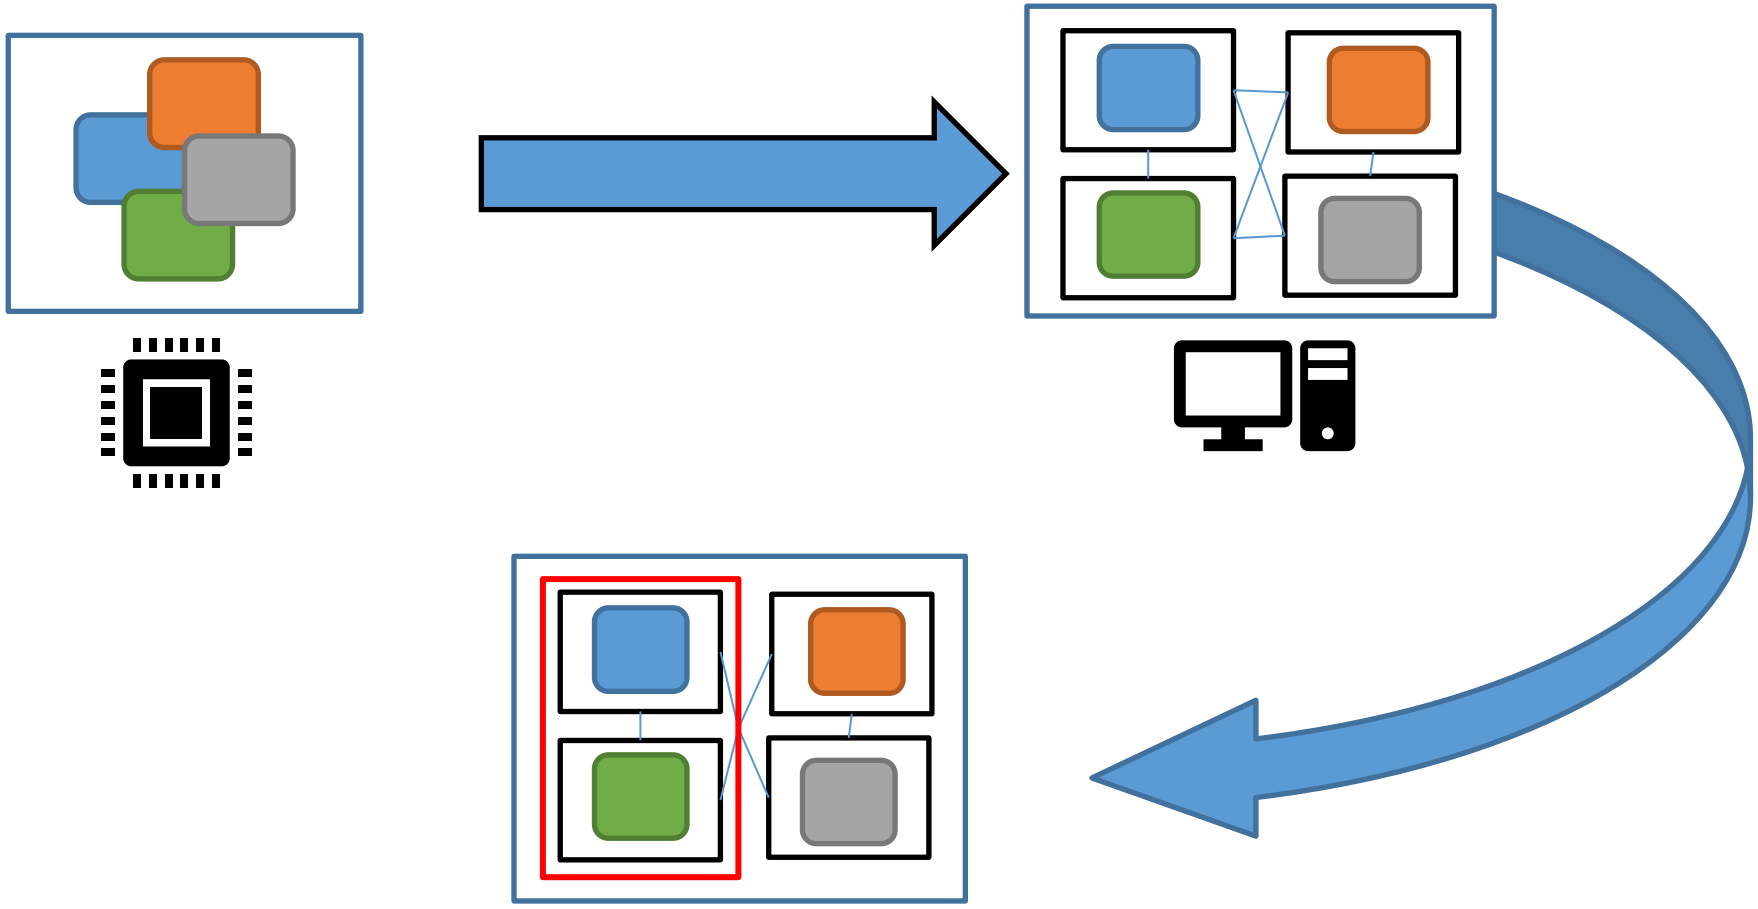


Architect for Speed

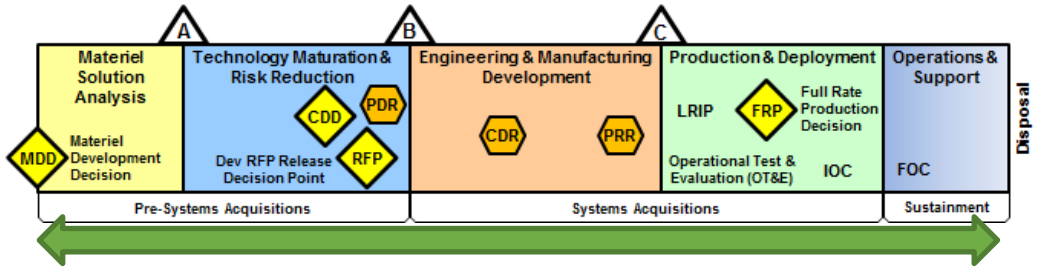
Organize around and incentivize Value Delivery

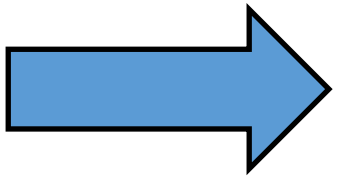
Integrate / Automate / Optimize Delivery

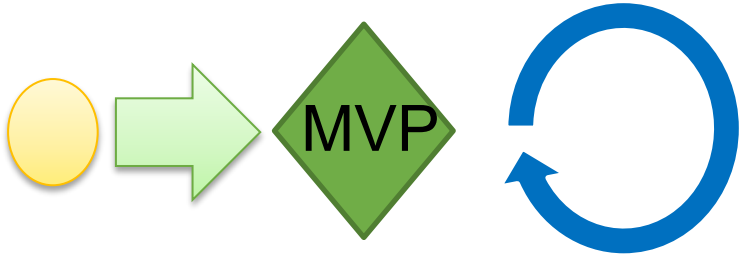
We must architect for ***SPEED***



Prioritize delivering ***VALUE***

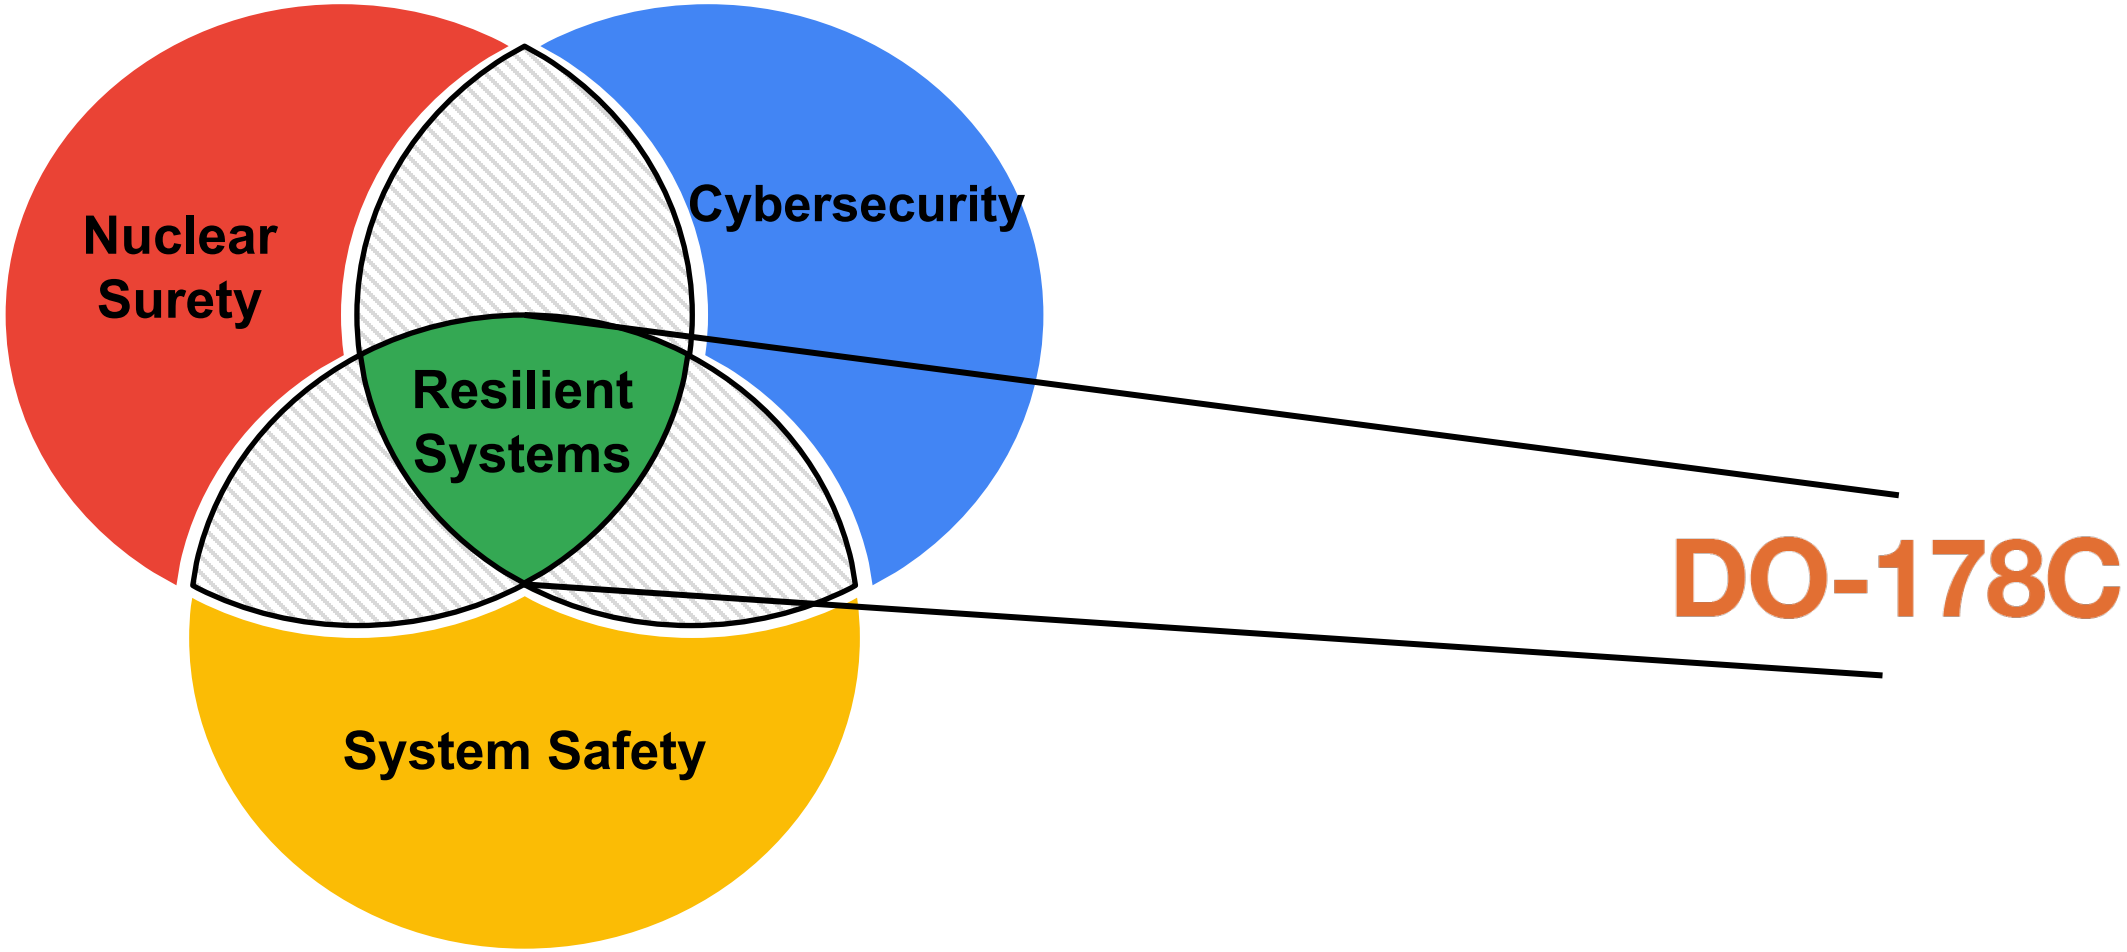






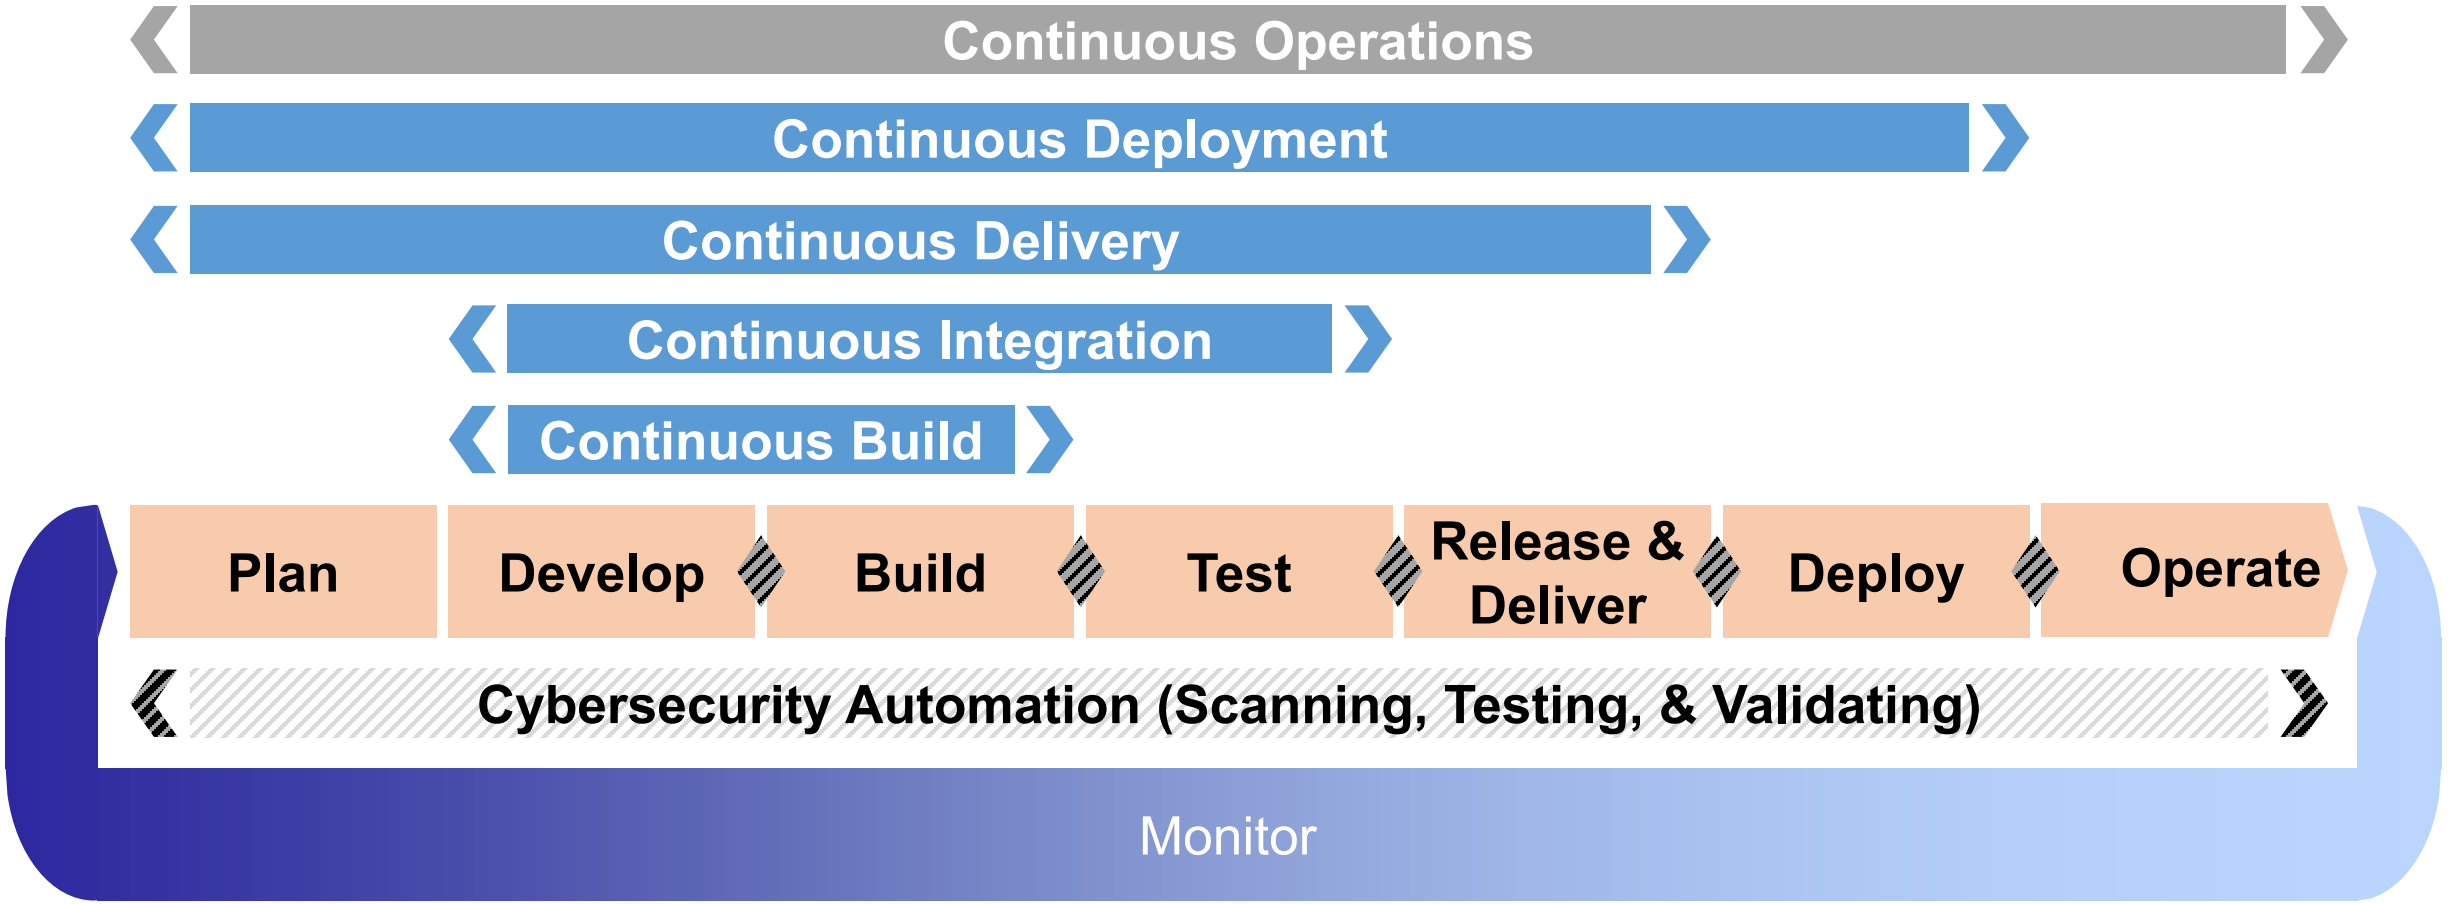
Integrate / Automate / Optimize Delivery processes

*Part 1: Use **integrated mission-oriented risk** decisions*

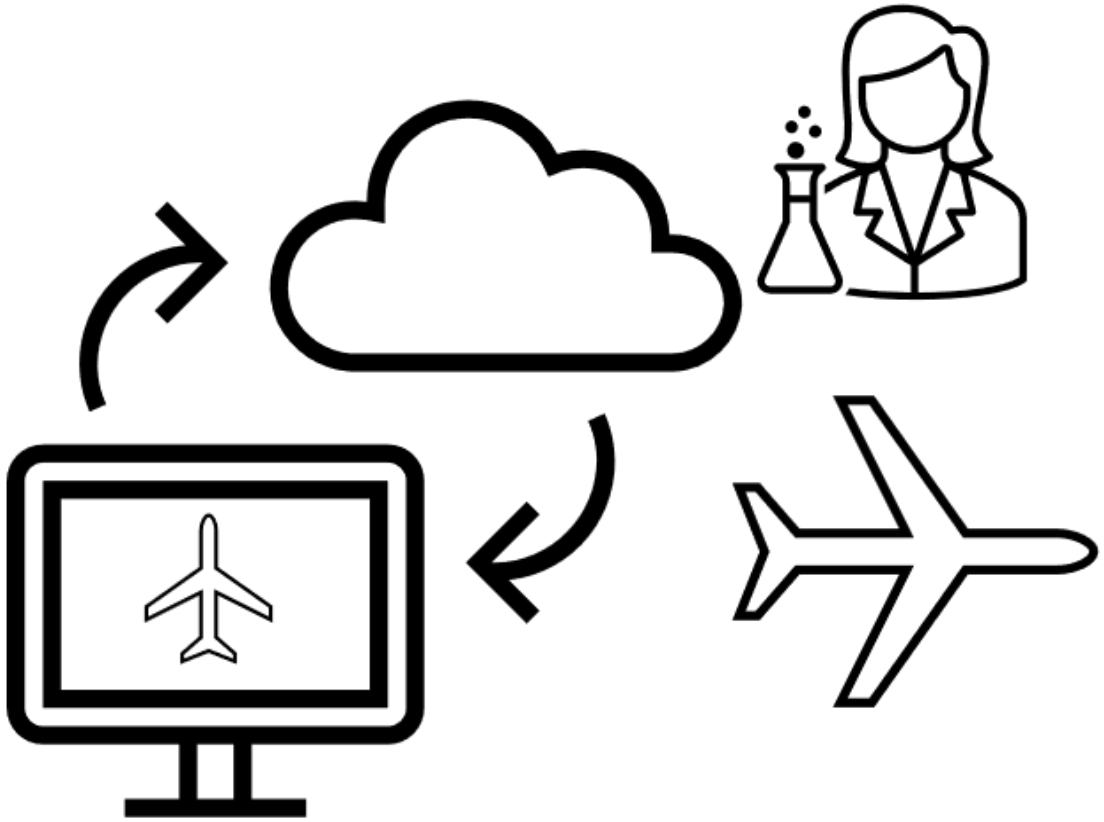


Integrate / Automate / Optimize Delivery processes

*Part 2: We must **Shift Left** and **Shift Right***



Integrate / Automate / Optimize Delivery



The Software Defined Weapon is **here**
